

ARIZONA SHUFFLEBOARD ASSOCIATION, INC
STATE SPLIT SINGLES CHAMPIONSHIP
SPECIAL PROCEDURES

Revised December 2014

- A. A State Split Singles Championship Tournament for men and women shall be held each year hosted by the Districts on a rotating basis. A qualifying tournament in each District shall provide one entry for men and women in Championship and in Consolation categories for the State Tournament.
- B. Eligibility for playing in the State Split Singles Championship:
 - 1. All participants must be ASA members.
 - 2. Participants must be residents of the districts they are representing.
 - 3. A resident is defined as one who lives in that district at least 8 weeks per calendar year or can demonstrate such intent.
- C. All expenses for the qualifying tournament shall be borne by each District with all entry fees and/or sponsors monies retained by the District.
- D. ASA will provide trophies and/or awards for first (1st) through fifth (5th) place for the finals. The cost is not to exceed \$600.00 for twenty (20) awards. All other expenses are borne by the host District.
- E. Names of the winners from each District shall be submitted immediately after their qualifying tournament is held to the President of the host District for the State Tournament. If the winner in any of the categories is unable to compete, the runner-up may participate in the tournament.
- F.
 - 1. Format will be singles ROUND ROBIN, 16-frame games. A tie at the end of the tournament will be decided by head-to-head comparison. If there is a 3-way tie and it cannot be resolved in this manner, the following will prevail: A three-way lag on a neutral board will determine the position of the players in the play-off. The three players will draw to determine the order of the placement lag. Each player will lag separately and will have a practice lag and a counting lag. Distance from the center of the lag line to the center of the disc will be measured for each player. Closest to the center of the lag line will be player #1, next closest player #2, and furthest player #3. Player #2 will have lag color choice and will play player #3 in game 1. They will play in a position not played in the tournament, if possible. They will play 4 frames at a time and continue as such until a winner is decided. The players will change sides after even numbered frames, taking their colors with them. Each player will take four (4) practice shots before frames 1 and 3. The winner of play-off game 1 will play player #1 in game 2 with player #1 having the choice of lagging color. Play will continue as in game 1 until a winner is decided. The winner of game 2 places 1st, the loser of game 2 places 2nd, and the loser of game 1 places 3rd.

2. A player may not play the same position on a given court more than once. It will be the player's responsibility to notify the tournament director if such an assignment is made. Penalty is loss of that game.
 3. If referees are used, the first violation of any rule in any category will result in a warning. Any subsequent violation in the same category by the same player in the same game will result in a 10-point penalty. (See J-1 – J-6, Index of Violations, ASA Official Rules).
- G. If a player cannot complete round robin play due to any reason, all games he/she played and all ensuing games will be recorded as forfeit wins for his/her opponents. Exception: If said player's wins in games played would result in a first-place finish for that player, only the games not played will be considered forfeit losses and the player will be awarded first place.
- H. District Presidents shall draw for order of play at the ASA State Meeting preceding the tournament. The letters A, B, C, D and E shall be used for the draw. The "bye" letter shall be noted before the draw and all Districts informed in writing as to the letter drawn by each District. (See Order of Play for Championship below).
- I. A complete report of actual expenses for the finals, a list of participants by name and District in order of finish for Championship and Consolation, recommendations to improve the Tournament, and any other pertinent information shall be submitted to the ASA President at the end of the Tournament.
- J. Any changes desired to this procedure must be submitted in detail in writing and mailed with the notice of an ASA State Board Meeting. A two-thirds (2/3) vote of those ASA Board Members present and voting, a quorum being present, is required to approve any changes.
