All five districts have cancelled their inter park shuffleboard activities. All ASA special procedures, including State Championships and Awards were cancelled. Some parks continued in-park activities with Covid protocols in place. The ASA Bylaws are much like rules of the game and we must follow them. President Brian remains optimistic and with both governments rolling out the vaccination program he hopes that the 2021-2022 Season will return to normal. His complete report is on file.

COMMITTEE REPORTS:

WEB MASTER: Dale Crouch mentioned that not much has changed as far as the website goes. He still does not have the webmaster's email so for the time being everyone can submit any changes to the website to my personal address. Dale would like all the District Presidents to check the website and submit the changes that they want. At least a President's message. Dale will make the calendar a printable one so that anyone who wants it, they can print it. Dale received a suggestion to have an instructional tutorial put

on the website on how to chart a tournament that does not have an even number. Pres. Brian stated a tutorial should be vetted by the Board; to be discussed next December.

HALL OF FAME: Brad Sawchuk reported that he is looking forward to meeting and working with the new committee members from all Districts. There has been no review of Hall of Fame nominations this year. At the March 2022 meeting, there will be three qualified candidates carried forward and presented for election. Looking forward to next year. Brad's full report is on file.

NEW BUSINESS:

1. **Pocket Calendars:** Sylvia Smith needs two weeks to get the calendar together before she submits it to the webmaster. Dale also needs two weeks to prepare it for the website.
